

THE BIGGEST STORY

The God Who Can Be Known (Acts 17)

Recap Questions

Questions: What bothered Paul when he came to Athens? Instead of a different god for everything he needed, who did Paul tell them was the one true God that made everything and ruled over everything?

Take Away: Without knowledge of the true God, people will worship false gods.

Questions: Why did the Athenians have an altar to an unknown God? What are some things that Paul shared about God? What's wrong with worshipping lots of different gods?

Take Away: There is only one true God, and he can be known.

Question: What does repentance mean? What did the people of Athens need to repent of when they heard about Jesus? Who does God command to repent? Who is coming again to judge the earth?

Take Away: Because Jesus will come again to judge everyone on earth, God commands all people everywhere to repent.

Question: Did everyone who heard Paul preach believe the good news about Jesus? Will everyone whom we tell about Jesus believe the good news? Should we still tell people about Jesus?

Take Away: Like Paul, we should tell people about Jesus even though we can't control how they respond.

BIG TRUTH

Because the one true God can be known, we should make him known.

MEMORY VERSE

The God who made the world and everything in it ... does not live in temples made by man. -- Acts 17:24
