

SUGGESTED FAMILY ACTIVITIES

Simon Says

- Have your child stand in front of you.
- Say a command starting with the phrase "Simon Says"
 - ex. "Simon says, touch your toes"
- Randomly say a statement without saying simon says- if your child does the command they are "out"
- This game is a good way to talk with your child about listening and being obedient like the brothers listened to Jesus in our story

Choice Game

- Give your child different options and have them choose their favorite.
- After you have done that for a while, you can give them a choice to do something obedient or to sin (ex. throw a toy or share a toy)
- You can talk about how in our story Jesus was given a choice and chose to obey God instead of to sin.

Be a Fisherman

- You can get a sheet or blanket and hang it up or put it over a couple chairs. Then you can use broom handle or pole and attach a string with a paperclip on the end of it to act as a fishing pole
- Have your child throw the string over the blanket & sit on the other side of the blanket. Attach pictures of fish or just random pieces of paper to the clip
- Your child can fish, while they do talk about the story

Snack Option

- Goldfish
- You can use the goldfish to talk about how Jesus talked to brothers who were fishermen
