## Jesus in the Story

Martin Luther and the Reformation were an important part of church history. Martin Luther reminded people you could not be saved on your own. It is by grace. Grace means it is a free gift. God saves us through the gift of His Son, Jesus.

## Pray Together

"God only you can save us! Thank you for sending Jesus to forgive us our sins. Please help us to trust Jesus."

## Worship

We are continuing to learn "What Child is This?". I encourage you to practice singing this wonderfully rich song with your child. Learn it together! You can find the lyrics on our Spotify play list at [www.firstirving.org/familyresources](http://www.firstirving.org/familyresources)
