Location: 403 South Main Street Irving, TX 75060

When looking for a childcare option for my daughter, finding a program that was gospel-centered, safe, and play-based was my priority. I have found Kid's Day Out to be all those things and more. When my 3-year-old was having a hard time adjusting, they helped her through that time, showing grace and flexibility. Some of my favorite things about this program are the creative activities, excellent communication, and nurturing relationships. The leadership and staff are wonderful and experienced. We can't wait to start the upcoming year and add our toddler to the KDO community!

KDO was such a blessing to us over the last 4 years. My favorite part of KDO was the welcoming smiles as you walked into the door. It's a blessing to be received with such warmth and joy! My kids grew to love the staff like family, and we were at such peace to leave our children in the hands of people we knew would care for them as their own. I am eternally grateful for the time my children were able to attend. I felt them as partners in the planting and nurturing of their spiritual life. The foundation they instilled at KDO will live in them for many years to come!

This past year we enrolled our child in the Kids Day Out program, and it exceeded all our expectations! The program is well-structured and offers a variety of engaging activities that keep children entertained and learning about academics and Christ throughout the day. From hands-on centers to creative arts and crafts, each activity is thoughtfully designed to spark curiosity and imagination.

The teachers are incredibly enthusiastic and experienced, making sure that each child feels included and valued. Their positive attitude and genuine care create a warm and welcoming environment. My child comes home singing songs and excited to show what she learned.

Overall, the Kids Day Out Program is a fantastic choice for any parent looking to provide their children with a fun, Christ centered and educational experience. We highly recommend it!

We were so blessed to have KDO - the teachers are amazing and KDO helped establish an early love of learning, lifelong friendships, and helped grow their faith. We also love the safety and cleaning protocols KDO has in place to know the kids are protected. We recommend KDO for any friends that have younger kids.

I would 100% recommend KDO! Both of my kids went there and now looking forward to the summer program once the school year ends! I leave my kids with such peace knowing that the teachers are so attentive and caring. I'm so thankful that the seed of the Lord is planted in my kids' hearts, and we continue to pray and go over the Bible verses they remember! KDO is definitely a great investment every kid should have.

- **Abigail G.**

Kids Day Out is hands down the most worthwhile investment for your child during their preschool years. As someone who not only had both their children attend but also taught there for several years, it has made such a huge impact on our family! KDO's Christ centered environment has such a wonderful, caring, and nurturing feel all while making learning fun! The teachers and staff truly go out of their way to care for your child and make them feel safe all while teaching them about the love of God!

- **Kelly M.**

KDO provides a safe and engaging environment where my children have thrived. From intentional teachers to solid curriculum that truly has prepared my kids for Kindergarten, we love KDO!
